

JOSEPHINE BARHAM | RESUME

English | Swiss-German

WORK HISTORY

Marketing & Graphics Specialist at Dr. Kelly® AG

January 2026 - June 2026

Graphic design and illustration for print and screens, digital advertising and social media content production, videography, video editing, copywriting in English and German, and marketing analytics.

Digital Designer at Absolute Studios

March 2025 - August 2025

Visual work with an emphasis on animation, illustration & web design.

Motion Graphic Artist at Scheels

September 2024 - November 2024

Took event graphics from InDesign to After Effects, animated them & sent to 34 brick-and-mortar stores' diverse screen sizes and types. Packaged, recut where necessary, and managed deployment for all vendor content displayed on in-store screens. Designed & animated motion graphics for transparent (look-through) shoe displays. Created brand messaging graphics for sports stadium LEDs.

Digital Designer at SparkFun Electronics

January 2022 - October 2023

Created illustrations, video content, and web materials for use throughout SparkFun Electronics' website and social media channels. Assisted with developing marketing & communications strategies and executing on them using HubSpot's email tools, paid advertising, & the SparkFun website.

Instructor at Front Range Community College

August 2022 - January 2023

Designed a full ten-week curriculum for introductory production design and taught seventeen students in a remote-hybrid classroom setting. Designed most of an Adobe Illustrator 1 curriculum for the spring semester (class was cancelled due to low enrollment numbers).

Multimedia Intern at Optiv Security

May 2019-August 2019

Worked in a fast iterative cycle to animate video in After Effects & Cinema 4D for brand messaging.

Tutor through Wyzant

December 2020 - April 2025

Shared knowledge on the ins and outs of Cinema 4D, Adobe Illustrator, and After Effects.

SKILLS & SOFTWARE

Proficient in: Adobe Creative Suite (Illustrator, Photoshop, After Effects, Premiere, InDesign), WordPress, Elementor, Amazon Storefronts, Cinema 4D, Blender 3D, Canva, CapCut, VN, Meta Ads, Google Ads, and many other tools. Researches and acquires new software skills with ease and enthusiasm.

ACADEMICS

2016-2020

Graduated summa cum laude with a BFA in Digital Design from University of Colorado Denver.

2015-2016

Earned associate degree in General Studies from Front Range Community College.
