

JOSEPHINE BARHAM | RESUME

WORK HISTORY

Digital Designer at Absolute Studios

March 2025 - July 2025

Visual work with an emphasis on motion. Visual work with an emphasis on animation, illustration & web design.

Motion Graphic Artist at Scheels

September 2024 - November 2024

Took event graphics from InDesign to After Effects, animated them & sent to 34 brick-and-mortar stores' diverse screen sizes and types. Packaged, recut where necessary, and managed deployment for all vendor content displayed on in-store screens. Designed & animated motion graphics for transparent (look-through) shoe displays. Created brand messaging graphics for sports stadium LEDs.

Digital Designer at SparkFun Electronics

January 2022 - October 2023

Created illustrations, video content, and web materials for use throughout SparkFun Electronics' website and social media channels. Assisted with developing marketing & communications strategies and executing on them using HubSpot's email tools, paid advertising, & the SparkFun website.

Instructor at Front Range Community College

August 2022 - January 2023

Designed a full ten-week curriculum for introductory production design and taught seventeen students in a remote-hybrid classroom setting. Designed most of an Adobe Illustrator 1 curriculum for the spring semester (class was cancelled due to low enrollment numbers).

Multimedia Intern at Optiv Security

May 2019-August 2019

Worked in a fast iterative cycle to animate video in After Effects & Cinema 4D for brand messaging.

Tutor through Wyzant

December 2020 - Present

Shares knowledge on the ins and outs of Cinema 4D, Adobe Illustrator, and After Effects. Troubleshoots students' unique problems in a one-on-one setting.

Visual Arts Project Manager at CU Denver Student Agency

May 2017 - March 2019

Met and negotiated with clients, and worked quickly to meet their evolving requirements. Led a small team of designers to create pedestrian maps for Chicago's O'Hare and Midway airports.

SKILLS & SOFTWARE

Enthusiastic, fast-working designer. Quick iterator and thorough researcher. Proficient with the Adobe Creative Suite and Cinema 4D. Experienced with many CMS platforms & page builder tools, ranging from WordPress to Magento to HubSpot and Salesforce.

ACADEMICS

2016-2020

Graduated summa cum laude with a BFA in Digital Design from University of Colorado Denver.

2015-2016

Earned associate degree in General Studies from Front Range Community College.
